

Victorious Christian Living

The question has been asked: What is “Victorious Christian Living”?

To tell you the truth I had to put that question before our Lord before I could present an answer. It started two days ago, I meditated on it all day yesterday, and finally I felt God give me the answer today.

So let me start with what is not:

- 1) Is it lot's of money? “No”, “Not necessarily”, Although, I believe that once you are fully walking in the “Blessings of God” you can walk in “Financial Freedom” regardless of what your bank account looks like.
- 2) Is it never being “Sick?” “No”, “Not necessarily”, Although, I believe that once you start walking in the “Blessings of God” you have “Healing” and “Divine Health” available to you.
- 3) Is it never “Going to the Doctor?” “No”, “Not necessarily”, Although, Once again I believe that once you are walking fully in the “Blessings of God” you have “Divine Health” available to you?
- 4) Is it never being “Mad”, “Concerned”, “Being Without Fear”? “No”, “Not necessarily”, Although, I believe that once you are fully walking in the “Blessings of God” you have the ability to live above the circumstances of this world.
- 5) Is it never feeling “Condemned”, “Guilty”, “Down”? “No”, “Not necessarily”, Although, I believe that once you are walking in the “Blessings of God” you have the ability to live above the circumstances of this world.
- 6) Is it never being, feeling, “?????????” (You put here what you want), “No”, “Not necessarily”, Although, I believe that once you are fully walking in the “Blessings of God” you have the ability to live above the circumstances of this world.

I used to hate when people pointed at the things I did, the things I said, and me in “General” and say to me: “How can you be a Christian?” Let me give you some examples and see if you can relate:

1. I am a very competitive athlete and sometimes I would get “Mad” while competing.
2. When I would get frustrated with a situation it would make be get “Angry”.
3. I enjoy a drink now and then. Usually beer but from time to time wine or a mixed drink.
4. I go to the gym where there are lots of pretty girls and sometimes I would look at one for longer then I should and even have a lustful thought.
5. Sometimes I would be somewhere and actually look at a person and I would judge them for what they were doing, how they were dressed.
6. Sometimes someone would say or do something to me and I would get offended and react less then positively. Let's say at those moments he Christ in me did not always shine.

What I want to mention here is that “Satan - Condemns” and “God - Convicts”. Until I realized the difference I was always living a life of defeat because I felt unworthy. We will bet more into this later but for now remember what the word of God say in John 3:17:

“For God sent not his Son into the world to condemn the world; but that the world through him might be saved”

So let's go back to the original question;

What is “Victorious Christian Living”?

Last night the word that kept coming to me is:

“Peace”

Then this morning I was driving down the road and I was confessing certain things over my life and God said “Why are you doing that?” I thought to myself; I don't know. It was what I thought we are supposed to do. God repeated and said again “Why?”. Then I thought I guess it is to make these items manifest in my life. Then God went on to say to me, “Right action just the wrong time – Remember I am the God of the Harvest”.

See I was on my way to a Job interview and I started confessing about my finances in several areas, money coming into my house, one of my houses selling, a source of income etc,... . God reminded me that we settled the financial part of my life some time ago because I believe with all my “Heart” that God takes care of “All my needs, Gives me the Desires of my Heart, and provides for me over and above anything you can ask or think”.

Then God went on to say “What did you think Abraham did all day long?” You really think he sat in his tent confessing with his mouth about the increase of his cattle, his sheep, his wealth. Do you think Abraham confessed for Issac everyday and when he finally got to the right number “Boom I moved”. What about Solomon Do you think he confessed all day long?

So I said; “OK, Lord I see your point, what I'm I supposed to do?”

And God said; **“Be “Still”, Have “Confidence” that “I am, who, I am”. Trust in me!!!”**.

And then it rose up in my spirit:

“Victorious Christian Living” is “Quiet Confidence”, it is “Peace”

It is knowing, trusting, that whatever you are facing here on this world that Jesus Christ has already won the victory over it when he went to the cross and because of that God is with you and you have already won the battle. It is “Quiet Confidence” that God has already taken care of the situation. It's knowing, trusting, that “God”, the great “I am”, has you covered in every situation.

Satan, and all the affects sin, have been defeated by Jesus Christ over 2000 years ago when he went to the cross and on the third day rose again. What we need to do is learn to walk in the “Victory” that Jesus Christ won for you over 2000 years ago. That is what this ministry is all about.
